Re: Notice concerning alleged unpaid rent and lease reporting obligations

This synthetic notice concerns the lease agreement dated January 5, 2025, for the commercial office unit at 18 Mockingbird Court, Unit 4B. The document states that Jordan Blake is listed as tenant and Northstar Property Group LLC is listed as landlord.

The document alleges that rent for February 2026 and March 2026 remains unpaid. The stated balance is \$4,850.00, consisting of two monthly rent charges and a late fee described in Section 7 of the lease. The notice asks the tenant to cure the alleged default by March 28, 2026.

The notice also states that quarterly revenue reports were not received for the period ending December 31, 2025. The notice does not attach the lease, payment ledger, or revenue reporting form.

Important unclear items:

- The notice references "Section 7" but does not quote the section text.
- The payment ledger is not attached.
- The name of the person who prepared the notice is handwritten and partly illegible in the original scan.
- The notice does not state whether any partial payment was received.
